SPONSORSHIP GUIDE

“

WE LOVED IT. We attend a lot of conferences and for us, this was a MUCH better fit than others. We felt like it was such a warm environment, the connections we made were excellent and very organic, the team learned a lot at the sessions, and "the vibes were immaculate." The team said they had a very generous amount of time to network and interact.

WHY SPONSOR AT KOLBECON

Every year is a great year to attend and sponsor Kolbe Corp's annual conference, but this year is even more special. We're celebrating 50 years as a company and will be opening our doors beyond our consultant base to additional invited guests. That means more new faces to engage with your company! Our sponsorship area is directly in front of the ballroom so our attendees can't miss your booth. We provide multiple ways for participants to engage with sponsors, including games (e.g., bingo card, scavenger hunt), mentions from the main stage, via raffle prizes and more.

During the conference, exhibits will be open*:

- Wednesday, October 22nd - Sponsored pre-con session available
- Thursday, October 23rd - Registration/Breakfast, lunch, sponsor break and snack break
- Friday, October 24th - Breakfast, lunch, sponsor break and snack break

*Final schedule pending. See Kolbecon.com for schedule details.

Exhibits are closed during sessions.
